Sir, Liang Chi Tsao <sup>梁志超</sup> No. 122 Bubbling Well Road, is away from Shanghai at present. Some of his servants, who are still in the house, state that he went to Japan on 3rd instant, and will return to Shanghai about the end of this month.

A General named Tsung Tsung Sung 張振聲 arrived at the Arsenal yesterday from Peking. He has come here for the purpose of conferring with General Yang and Lui about the local situation.

It is reported that the Central Government intends to send some of the troops at present stationed in Shanghai to Yunnan.

The Director of the Arsenal received telegraphic instructions yesterday to make six 7.5 cm. guns and sixteen machine guns within a month. The Director wired a reply saying that he was unable to comply with the order and complaining of the scarcity of steel and iron.
